EXPERIENCE

2D Animator & Storyboard Artist

GistMD | 2022-2023

An Israeli company that specializes in personalized educational videos, that empower patients and increase their involvement in their treatment and recovery process. As an animator and storyboard artist in the company, I was responsible for character animation, motion design, storyboard and narrative development for the company's videos.

Motion Designer

Lightricks | 2020-2022

A company that develops video and image editing mobile apps. As part of the marketing department, I was responsible for motion design in advertisements, animated logos, intros and endings for all company products.

2D Animator

LO MAGIA LI | Music video | 2022

Commisioned by Gilad Cahana.

Director & Animator

Animal Locomotion | Short Film | 2021
